

MAZAGAN, THE FESTIVE

Mazagan is a world-class resort bordered by the Oum Er-rabie River to the north and the city of El Jadida to the south, which was once called Mazagan.

This new resort is surrounded by a magnificent eucalyptus forest that stretches along more than 7 km of coastline. Mazagan Beach Resort offers a wide selection of excellent attractions (golf, tennis, water activity centre, spa, swimming pools, etc.) in a 500 hectare space.

REASONS TO GO

- A new-generation resort designed by a world-renown firm (Kerzner Group)
- Getting there: 3 and half hour flight from London (Casablanca hub 80 km away)
- Upscale holiday spot built to European standards and requirements in a select natural setting
- Facilities made to accommodate families and MICE clients (Meetings, Incentives, Conferences, Events)

✚ THE INSIDER'S GUIDE

- The Kerzner Group has extensive experience in upscale hotel management (One & Only, Atlantis Bahamas, Atlantis Dubai, etc.).
- A new motorway has little traffic and links to Casablanca Airport in 45 minutes.
- The **Moussem of Moulay Abdellah Amghar** (fantasias, or war ceremonies) is held every year 14 km south of El Jadida.
- Visit the Portuguese cistern of El Jadida in the morning around 11:00 am when the sun shines on its archways and columns.
- Recommend the panoramic view from the southwest stronghold of the Safi seaside castle.
- Watch the different stages of the traditional pottery making process in Safi.
- Safi is home to the largest tajine in the world, made by local artists (in the Guinness Book of World Records).

THE BEST REASONS TO GO

Unforgettable places:

- The **El Jadida Medina**, a UNESCO World Heritage Site since 2004. It is also home to Portuguese town, also listed a World Heritage Site and has a 16th century cistern.
- The **Boulaouane Kasbah**, built in the 18th century, 75 km from El Jadida.
- The **Hassan II Mosque in Casablanca**, a true masterpiece of Moroccan craftsmanship and Eastern sophistication. It has the highest minaret in the world.

Heritage and Culture:

- Pottery in Safi: visit colline des potiers (potters' hill) (2,000 artists) and the **Musée National de la Céramique (National Museum of Ceramics)**.
- Cultural events: the **Moulay Abdellah Amghar** moussem and the **Printemps d'Azemmour** created to celebrate Lusitanian and Portuguese music and heritage.

Relaxation, Sports and Wellness:

- Mazagan has a spa (12 rooms), a fitness centre and a traditional hammam (8 treatment stalls).
- The site also has a top-level eco-conscious golf course (18 holes) designed by Gary Player, tennis courts, a water activities area (surfboarding, surfing, sailing) and two swimming pools.

Excursions and Activities:

- **Azemmour**, ancient city surrounding the Mazagan resort, where visitors can stroll through its beautifully preserved medina.
- **El Haouzia**, 1.5 km from Azemmour, stretches from the mouth of the Oum Er-rabie River to El Jadida.
- The **Oualidia Lagoon**, known for its oysters and hunting reserve. It has a 3 km beach and lagoon scenery.
- **Shopping and tours** in Casablanca.
